

Heritage Consultants

For liability reasons, Vancouver Heritage Foundation cannot legally recommend any of these trades or companies. They are simply names that have been passed on to us by homeowners and professionals who have been happy with their services. We have been told that they have experience working with old buildings, renovations or heritage restoration.

We would greatly appreciate your feedback on working with any company we passed on to you, or to be notified about a change in their contact information. Likewise, if you find a trade or company you would like to recommend to others, please tell us about them.

Vancouver Heritage Foundation periodically verifies the status of businesses however we cannot always guarantee the information provided here is up to date.

Note: This list offers the names of Heritage Consultants qualified to draft Statements of Significance and Conservation Plans. Some listed below work more predominantly on large-scale architectural projects. Consultants noted with 'CAHP Member' are members of the Canadian Association of Heritage Professionals.
